- 1 Select the schedule (Monday thru Friday, Saturday, Sunday) for when you will travel.
- 2 Find the timepoints closest to where you will get on and off the bus. Timepoints are shown on the route map. Bus stops may be between timepoints. For added convenience, the Next Bus pole number is included under the timepoint. Accurate bus arrival times can be obtained by calling 202-637-7000 or visiting wmata.com and clicking on "NextBus".
- 3 Follow that column down to the time you want to leave. Read across to the right to find the times the bus is scheduled to arrive at your destination. If no time is shown, that trip does not serve the area of that timepoint. End-of-the-line or last stop is listed in ALL CAPS on the schedule.
- 4 The route number in the left column will appear in the sign above the windshield.
